

How do I donate?

Please click any link that is scrolling through the room that you wish to donate to and complete the short form and then when you get your confirmation email please forward to donate@littleangelscharities.org; all we need is the charity you donated to, the confirmation #, the amount you donated, and if you wish, you could include your Paltalk nic so we can thank you personally.

Is it Safe?

Yes, the links will take you directly to the charity; no one on Paltalk ever sees a dime from what you donate during this event. Thank you!

Where do the donations go, and how do you keep up with the totals?

The donations go directly to the charity of your choice, (the link you clicked on). All donations are tracked when the person making the donation forwards their confirmation email with the confirmation number, charity they donated to, amount donated, and, if they choose, their choice of first name or Paltalk nic to donate@littleangelscharities.org

Does Little Angels receive any of the money?

Little Angels does not receive any funds that you donate to the charities, we only receive money from purchases made for Little Angels Apparel at www.cafepress.com/L_A_C_ which helps us to cover administrative costs. Thank you!

Does Paltalk know about Little Angels Charities?

Yes, this event has the full support of Paltalk, they have even graciously donated the green 1000 person room to hold our event in. They also donate green and purple nicknames for the purpose of auctions held by Little Angels Charities, and all monies derived from the winning bidders for these nicknames go directly to the charity of the winning bidder's choice. If you have any further concerns on this you can visit the Paltalk help room or speak with any Paltalk Red Hat and they can validate this for you. Thank you!

What about rumors, is it a scam?

You can verify the legitimacy of Little Angels by visiting any Paltalk help room or by speaking with a Paltalk Red Hat, also the links will bring you directly to the charity organization you choose and if you are more comfortable you can copy the link and post it in your browser.

How can I become more involved?

Little Angels is always looking for dedicated people to help us. Please contact any admin or board member and we would love to discuss ways you can help us. Thank you!
